

Benevity in your company means using their **corporate social responsibility (CSR) platform** to manage employee giving, volunteering, and impact programs, making it easy for staff to donate, volunteer (including skills-based and virtual), and participate in **company-matched campaigns**, which boosts engagement, builds community, and supports business goals through streamlined management, reporting, and a global database of vetted nonprofits. It centralizes “goodness” initiatives, allowing companies to track their impact and empower employees to connect with causes they care about, enhancing employer brand and retention.

If the company you work for participates in Benevity, please look to support the Church of the Ascension by donating via Benevity and help get company-matched dollars with your generous donation. Look up Church of the Ascension in Benevity using our Tax-Id 94-2734503.
